South Carolina Code of Laws Title 27 Chapter 50 Article I requires that beginning January 1, 2003, an owner of residential real estate (single-family homes and buildings with up to four dwelling units) shall provide to a purchaser this property condition disclosure statement which must be completed prior to signing a contract of sale. This disclosure statement must be provided in connection with the sale, exchange, option and sale under a lease with an option to purchase. This disclosure statement is not required for some transactions, including the first sale of a dwelling which has never been inhabited. A complete list of exemptions may be found in Section 27-50-30.
2. You must check one of the boxes for each of the 24 questions on pages 2 and 3 of this form.
 - a. If you check "Yes" for any question, you must explain the problem or attach a descriptive report from an engineer, contractor, pest control operator or other expert or public agency. If you attach a report, you will not be liable for any inaccurate or incomplete information contained in the report as long as you were not grossly negligent in obtaining or transmitting the information.

By signing below you acknowledge that the failure to disclose known material information about the property may result in liability.
4. You must provide the completed statement to the purchaser prior to the time you and the purchaser sign a contract to purchase your property or as otherwise agreed to in the contract.
